Wages		3,410.75
Total Expenses	\$	4,005.20

Respectfully submitted,

RICHARD E. GUYETTE,

*Chief of Police*

## REPORT OF THE PLANNING BOARD

At the 1968 Town Meeting the Zoning Ordinance, including the Mobilehome Ordinance, as proposed by the Planning Board was rejected by 10 votes, 156 for to 166 against. After the Town Meeting the Board met on the second and fourth Wednesday of each month except for July. At these meetings the Zoning Ordinance was re-edited and by August 1968 was made ready for distribution to the voters of Deerfield. Copies of the complete ordinance were then mailed to all Deerfield residents who were named on the check list.

Two hearings were held and a special Town Meeting was planned. This meeting, however, was rescinded because of posting legalities.

It is hoped that the Ordinance, as modified, will be on the ballot prepared for the March 1969 Town Meeting for the consideration of the voters of the Town.

Respectfully submitted

JOHN S. BRINKLER,  
JOHN E. GRACE,  
GEORGE A. INNES,  
PAUL A. O'NEAL,  
BERNARD J. WEISS,  
*Deerfield Planning Board*

ISABEL R. WITHAM,  
*Overseer of Public Welfare*

## REPORT OF FOREST FIRE WARDEN AND DISTRICT CHIEF

People cause fires. Our records show that the number of fires increase in an area as the population increases and our state is growing tremendously. This means that we all must be aware of fire causes and do our best to prevent their occurrence.

When we are very young the lighted match is an adventure, burnt-fingers and a dropped match is another fire. A little older we like to have a woodland cookout, or go out by ourselves for a smoke but fire and forests get together for another statistic. We adults like to clean up in the spring, burn the old debris and the dead grass, result — escaped fires and much personal expense.

With new homes and summer cottages located in woodlands and with abandoned fields and forests crowding the back yard of our villages' streets, it is necessary that everyone be aware all through the fire season, which comes with the disappearance of the snow, of the need to be careful with outdoor fires and fire sources.

The following action will help:

1. To teach our children the danger of lighted matches.
2. To *never* discard lighted smoking material from a car or while walking through fields or woods.
3. To safely dispose of rubbish preferably at the town dump. If you must burn—
  - a. You need a written permit from the town fire warden for *all* debris burning except when the ground is covered with snow. Cooking fires in outdoor fireplaces or in charcoal brasiers in your own back yard is permitted on notification of the warden.
  - b. The warden is forbidden by regulation to allow burning of household rubbish on *grass* by householders between 9:00 A.M. and 5:00 P.M.
  - c. Have equipment on hand to control the fire *before* you light the match.
4. Promptly report any fire out of control to your fire warden or fire department.

Help to keep our town out of the fire occurrence column and save your tax dollars for useful purposes.

Forest fire record for 1968:

### NUMBER OF FIRES AND ACRES BURNED IN 1968

	Fires	Acres
State	593	349
District	47	63
Town	0	0

IVAN E. SCRANTON,  
*District Fire Chief*  
KENNETH W. NAY,  
*Forest Fire Warden*

## CIVIL DEFENSE REPORT FOR 1968

As Civil Defense Director I would like to thank all persons who were active and helpful in the accomplishments of the agency during 1968.

The Civil Defense Agency now possesses a rescue truck and several pieces of rescue and emergency equipment and an assortment of emergency clothing of all kinds.

The Fire House has been hooked up as an emergency operating center and has permanent electrical power supply with its' own generator.

I believe the agency has an opportunity to advance and prosper by taking advantage of government surplus and matching funds available through Civil Defense.

All of the equipment and supplies of the agency help the whole town in many ways at all times.

The following is a complete list of the funds spent in 1968.

Insurance on Civil Defense rescue Truck	\$	101.00
K12 All purpose emergency and rescue saw		435.00
Auto Electric (auto parts)		34.26
Switches & wiring for Permanent Electrical Installation		350.00
	\$	920.26

### Equipment & Supplies through Government Surplus

	Actual Value	Cost to Town
Clothing—Jackets, overalls, Boots, overshoes		
Rain gear, Insulated suits	\$ 508.54	\$ 12.50
Hardware—Bolts, nuts, washers, screws,		
Tape, Fittings, etc.	76.46	20.20
Paint	10.52	1.50
Tools	36.80	6.20
Electrical Cable & Switches	135.01	8.05
Generator & Motor	900.00	20.00
Misc.—Fire protective equipment, Hyd. Fluid		
Greases & oils	101.52	8.20

TOTAL	\$ 1,768.85	\$ 76.65
Total Appropriation		\$ 1,000.00
Total Spent		996.91
BALANCE		\$ 3.09

GEORGE F. CLARK,  
*Civil Defense Director*

## THE STATE OF NEW HAMPSHIRE

### TOWN WARRANT

*To the Inhabitants of the Town of Deerfield in the County of Rockingham in said State, qualified to vote in Town Affairs: (L.S.)*

You are hereby notified to meet at Deerfield Town Hall in said Deerfield on Tuesday, the Eleventh day of March, next at ten of the clock in the forenoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.

2. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations of the same.

3. To see if the town will vote to adopt a plan for extending to employees of the town, the benefits of Title 2 of the Federal Social Security Act (Old Age, Survivors and Disability Insurance) as authorized by Chapter 101 of the Revised Statutes Annotated, amended by Chapter 302 and 332 of the laws of 1955 and to raise and appropriate the sum of \$200 to defray the town's share of the cost thereof.

4. If a plan for Social Security coverage is adopted, to see if the town will authorize the selectmen to execute on behalf of the town the necessary agreement with the State of New Hampshire to carry into effect the plan and to see if the town will designate the Town Treasurer as the officer to be responsible for the administration of the plan.

5. To vote by ballot upon the following question:  
Are you in favor of the adoption of Articles 1 through

13 of the Zoning Ordinance as proposed by the Planning Board?

6. To vote by ballot upon the following question:  
Are you in favor of the adoption of Article 14 (regulation of mobile homes, trailers, and parks) of the Zoning Ordinance as proposed by the Planning Board?

7. To see if the town will vote to authorize the selectmen to hire money in anticipation of taxes.

8. To see if the town will vote to authorize the selectmen to sell property acquired through Tax Collector's Deeds.

9. To see if the town will vote to raise and appropriate the sum of \$1,375.33 for Town Road Aid, the State to contribute \$9,168.85.

10. To see if the town will vote to establish a fund of \$200 for the purpose of maintaining and caring for the Philbrick-James lot in the Tilton Cemetery on No. 6 Road; the money to be invested by the Trustees of Trust Funds, the interest only to be used therefore, and to raise and appropriate money for the same. (This article is inserted by request.)

11. To see if the town will raise and appropriate the sum of \$1,095 as an initial amount to enter a proposed Visiting Nurse Program serving the area of Deerfield and other towns in the Rockingham and Strafford counties.

12. To see if the town will raise and appropriate the sum of \$6,000 to commence work on a complete reevaluation of the town. An added sum of \$6,000 would be raised again in 1970 to complete payment of the total cost of \$12,000.

13. To transact any other business that may legally come before said meeting. Polls to close at 7:00 p.m. due to re-opening at 8:00 p.m. to take action on remaining articles in the Town Warrant.

Given under our hands and seal, this 24th day of February,  
in the year of our Lord nineteen hundred and sixty-nine.

ROBERT B. SANBORN,  
BERNARD J. WEISS,  
ROGER C. KING,

*Selectmen of Deerfield, N. H.*

A true copy of Warrant—Attest:

ROBERT B. SANBORN,  
BERNARD J. WEISS,  
ROGER C. KING,

*Selectmen of Deerfield, N. H.*

### **SELECTMEN STATEMENT**

The New Hampshire law, newly effective in 1968, that demanded a separation of land from buildings for assessment values did create a massive amount of work for the Board of Selectmen as all properties had to be assessed with time limits in mind. However, the work was completed and the Board is thankful to patient and understanding Deerfield taxpayers.

The Tax Map has already shown its value to the town. The selectmen are convinced that, over the next few years, it will pay its own way in excess of cost by revealing more exact boundary lines on parcels of land.

Too, the Tax Map is a vital link in any complete reevaluation of the town. As modern values are changing rapidly, The Board does recommend favorable consideration of that article in the Town Warrant asking for property reevaluation by skilled consultants.

Need for an added building for housing town equipment and offices become more apparent with each passing year. However, at this time, the Board has not appointed a study committee or have estimated costs.

The Board of Selectmen is concerned that, at the present time, there are no zoning regulations in effect. The concern is caused by our observation of uncontrolled growth in other towns. Because Deerfield is in a fast growing area, the Selectmen feel that means must be made available to protect the best interests of the town.

In conclusion, The Board of Selectmen again wishes to thank each public spirited citizen who has had a part in town affairs. In this regard, the photo of the Deerfield Volunteer Firefighters that appears in this town report is the first of a series of tributes that are planned.

## SCHOOL WARRANT

*To the Inhabitants of the School District in the Town of Deerfield qualified to vote in District affairs:*

You are hereby notified to meet at the Town Hall in said District on the 8th day of March, 1969, at one o'clock in the afternoon. District officers to be elected at Town Meeting on Tuesday, March 11, 1969 as follows—

1. To choose a Moderator for the coming year.
  2. To choose a clerk for the ensuing year.
  3. To choose a Member of the School Board for the ensuing three years.
  4. To choose a Treasurer for the ensuing year.
  5. To choose an Auditor for the ensuing year.
- Business meeting to be held at one o'clock on March 8th, 1969 to act upon the following subjects:
6. To determine and appoint the salaries of the School Board, and fix the compensation of any other officers or agents of the District.
  7. To hear the reports of agents, Auditors, Committees, or Officers heretofore chosen, and pass any vote relating thereto.
  8. To choose Agents, Auditors, and Committees in relation to any subject embraced in this Warrant.
  9. To see what sum of money the District will raise and appropriate for the salaries of School District officials and agents, and for the payment of statutory obligations of the District, and to authorize the application against and appropriations of such sums as are estimated to be received from the State Equalization Fund together with other income the School Board to certify to the Selectmen the balance between the estimated revenue and the appropriation, which balance is to be raised by taxes by the Town.

10. To see if the School District will authorize the School Board to employ a full-time teaching principal and increase the number of teachers to nine, and for that purpose to raise and appropriate the sum of six thousand as requested in the budget.

11. To see if the School District will raise and appropriate money for the payment of High School Tuitions, not to exceed the State Average Tuition.

12. To see if the School District will authorize the establishment of a Capital Reserve Fund for the purpose of defraying part of the cost of future requirements of additions to and/or alterations of, or construction of school buildings within the District; and to appropriate the sum of \$20,000 for the fund.

13. To see if the School District will authorize the present School Building and Planning Committee to continue its studies of the future requirements of the School District for the ensuing year.

14. To see if the School District will raise and appropriate the sum of \$1,000.00 for architectural costs as recommended by the School Building and Planning Committee.

Given under our hands at said Deerfield this ——— day of ———, 1969.

NORMAN M. GLUCKERT,  
ERIC R. LINNELL,  
ANNA L. McINTYRE

## EXPLANATION OF SCHOOL DISTRICT REPORT

The School District Report covers the monies spent being July 1, 1967 thru June 30, 1968.

The fiscal year of the School District is July 1, 1968 thru June 30, 1969 and since this year is not completed, the figures are for monies that were appropriated and not those expended.

The non-financial reports cover the 1968-1969 school year.

### Proposed School Calendar

## REPORT OF THE SUPERINTENDENT OF SCHOOLS

This is my last report. When it is read, I shall be attending to the affairs of life normally associated with retirement. However, one cannot give up a role easily which has been played for forty years without having a few thoughts about the past, present and future. While it is pleasant to reminisce, the fulfillment of tomorrow's dreams can only be realized through positive action taken today.

Through the years, the process of education has moved from the little red school house, which at that time met the needs of many, to a refinement and sophistication that can only be accommodated in a larger school. The child who completed the eighth grade yesterday now stays on until he finishes high school. In some areas of the country, the community provides an additional two years of education at public expense. The complexities of the modern world place a premium on education which can only involve greater expenditures as the years go by.

At one time, the local school district assumed full responsibility for financing its educational system. With the passing of time, the demands that have been placed on the community are taking an increasingly larger share of the tax dollar, to the point that the property owner is required to shoulder a proportionately larger burden. Whereas teachers would accept what a local district would pay,

or move on, a mobile population has teamed up with modern means of communication to break down town boundaries. Teachers, with leadership provided through their associations, are acting in concert in the presentation of demands which tend to be uniform from district to district. As a consequence of this, school boards have been haunted with the specter of costs increasing more rapidly than ability to pay.

Basically, education is a state function, with school districts serving as political subdivisions of the state. The state board of education has powers of management, supervision and direction over all public schools and may make rules and regulations necessary to secure their efficient administration. From time to time, statutes have been enacted which also contribute to a framework within which local boards operate. The purpose of such regulation is to insure that all children living in the state receive an equality of educational opportunity. However, the scope of education today exceeds that which must be provided by law and while every child has the same opportunity in theory, in practice this is not the case.

The time is now at hand when, more than any other time in history, it is necessary for the state to extend itself to a greater degree than it has in order to promote educational opportunity. There is a wide discrepancy in the ability of towns to meet costs, and the town which is rural in character does not have the same resources as does the one with

a broad tax base provided by business and industry. If the state is not to abdicate its responsibility, it would seem quite evident that it must at least fully implement those statutes which now exist so that the local tax payer will not be called upon incessantly to make up the difference necessary to maintain an adequate educational program. In turn, it would seem appropriate to consider very seriously the methods of raising revenue required to implement these statutes. Unless these steps are taken, inequality of educational opportunity not only will continue, but it can only become greater in the years ahead.

C. MAURICE GRAY

## SCHOOL BOARD REPORT

This past year has been most interesting and challenging, due to the excellent cooperation of the School District and many concerned parents. Your School Board is able to report a year of accomplishment and progress.

A summary report of this progress, shows the following:

A growing library of over 2,000 books, due to many generous gifts.

Expanded use of audio-visual equipment, again assisted by donations.

A bright new face on our recently painted cafeteria, accomplished by a summer young peoples work program.

Improved kitchen facilities.

Expanded parking facilities and grounds improvement.

The School Board would like to compliment and thank our fine staff of teachers and principal. Their achievements in enrichment of our children, due to a constantly improving curriculum, deserves the thanks of us all.

NORMAN M. GLUCKERT,  
*Chairman*

ERIC R. LINNELL  
ANNA M. McINTYRE

## PRINCIPAL'S REPORT

As I look back and review the school year which has just past, I find that many of the recommendations made in my report at that time have been accomplished.

We have provided many new teaching materials and aids. We have new audio visual equipment that is being used daily in the classrooms. A new school library with reading and reference books has been added. A new vocabulary-spelling program is now being taught in grades three through eight. We have started to teach French in the seventh and eighth grades.

We had to add an extra teacher and another class to help with the large

number of students in our second and third grades. At the writing of this report, it would seem logical to add another teacher for the large number of students entering our first grade next year.

The new materials, facilities, books, and teacher have been added to improve the education of our children. All our aims, goals and recommendations will be made toward this end. With your continued help and support, we shall move forward toward this end.

I would like to thank you for the loyal support you have given your School. My special thanks to our lunchroom Supervisor for another outstanding year, to the P.T.O. for their unfailing cooperation and support, to the members of the School Board for their loyal assistance, and to the teachers for a very productive year.

FREDERICK A. CHAMPION,  
*Principal*

School Building Study Committee  
Deerfield, N. H.  
February 2, 1969

Deerfield School Board

Deerfield, N. H.

Members of the School Board:

The School Building Study Committee, consisting of Philip Oxnam, Thomas Fowke, Warren Billings, Howard Maley, Margaret King and Elaine Alexander, was formed in September 1968, at the request of the School Board. Pearl Stevens became the sixth member of the committee after the acceptance of Philip Oxnam's resignation dated September 27, 1968.

The first meeting of the School Building Study Committee was held October 1, 1968. Up to the time of this report there have been a total of nine meetings held. The charge by the School Board was:

- a. Determine the needs of the Deerfield School plant.
- b. Study and suggest procedures to implement plant enlargement if required.

In order to best determine the need for plant enlargement in any form we felt it necessary to have an accurate census of the present population as well as projected school growth.

We, as a committee, are aware of the population growth of Southern New Hampshire, specifically Rockingham County and feel that in the next five years this influx of people will be felt in Deerfield as this census has substantiated.

We feel that a plant enlargement of some kind will be necessary.

From our research we feel that the ideal class size is approximately twenty-five. When a class reaches thirty-five or forty it becomes necessary to divide one class into two. (Refer to sketch of school classroom layout and number of pupils in each).

At this time, we the School Building Study Committee feel that we have the following options; expand the present school facilities or build on a new site in order to meet acreage requirements.

In view of the time lag in expansion or construction, we recommend the following:

1. A contingency fund of \$10,000 to be used at the School Board's discretion for an additional teacher and supplies if it becomes necessary to divide another class. In the event this money is not used it is to revert to the capital reserve fund.
  2. Appropriate the sum of \$1,000 to finance architects' study into the feasibility of expanding the present school site.
  3. Establish a capital reserve fund.
- In view of our findings we conclude

that additional financing will be necessary in the future and therefore recommend that a capital reserve fund in the amount of \$35,000 be established.

In the event that the capital reserve fund is not used in five years, it will be applied to the balance on any existing bonds. This would require a majority vote at a school district meeting.

4. Locate and purchase land for a future site.

We feel that if it becomes necessary to build an entire new plant, it would be to our benefit to have the land available for that purpose due to the rising land costs and lack of zoning. This is also a good investment and more than the purchase price could be realized from the sale of said land if it does not become necessary to build a new plant.

In conclusion, we feel that there is a great deal more research to be done on a continuing basis. We have tried to be conservative and also realistic in our first recommendations.

Respectfully submitted,

THOMAS FOWKE  
WARREN BILLINGS  
HOWARD MALEY  
MARGARET KING  
PEARL STEVENS  
ELAINE ALEXANDER
